GraminKonnnect Foundation Trust, Bangalore

Date:

21st June 2025

This is our **first on-ground cultural-spiritual program**, and we aim to make it truly special through a blend of **devotional music, inspiring discourses, classical dance, and youth participation** — all centered around the **values and vision of Rama Rajya**.

Objective:

- To bring the **values of Lord Rama** to life through cultural, devotional, and creative expressions.
- To provide a platform for **students and youth to engage with Indian heritage creatively**.
